Dear Staff & Students:

Thank you so much for your donation of 3,721 pounds of food for our Food Pantry; it will really help us to be able to help many families in our community. We have been helping an average of 75 families a day and God has provided – through your donation we are able to put items on the shelves for them.

If you would ever like to come in and take a tour of the Baby Pantry and our Food Pantry, please give me a call, I'd love to show you around. Also we could use more good people to volunteer once a week or once a month if you have any free time let me know.

The families we serve really appreciate it. Feel good that you have helped the people who need it so much here in Muskegon.

Your commitment to help in our community is greatly noticed. It is the generosity of people like you who make a difference.

We truly appreciate your thoughtfulness and thank you so much.

Sincerely,
